- 12.7 The Client acknowledges and agrees that at all material time:-
- 12.7.1 while the GT Documents and FMD are based on information obtained from sources that the Bank believes to be reliable, the Bank does not guarantee the accuracy and completeness of the GT Documents and FMD;
 - 12.7.2 the GT Documents and E-Services were prepared without regard to any individual client or classes of client in mind or reference to clients' investment objectives, the GT Documents and FMD shall be treated as general views and mere opinions only and are not suitable for reliance being placed by the Client without independent verification and separate assessment taking into account the Client's own individual risk appetite, investment aims and financial circumstances; and/or

- 12.9 In the event, the Client relies on such GT Documents and E-Services and as a result of which suffers or incurs losses or damages, the Client agrees that it shall not hold the Bank, its employees, CMSRLH and agents liable for any losses and damages suffered by the Client in relation thereto.
- Relationship of the Bank/CMSRLH with the Client- Dealing in Foreign Jurisdiction**
- 12.10 Notwithstanding that the Bank may as between itself and a third party be effecting transactions for and on behalf of the Client, as between the Bank and the Client, the Client shall be deemed to be and is transacting as sole principal. The Client acknowledges, undertakes and agrees to be always primarily liable for such transactions.
- 12.11 Unless the Client has a specific agreement with the Bank for the provision of advisory services the Bank shall not provide any advisory services for Foreign Securities. In either case, while the Client is entitled to expect the Bank or its employees or representatives to answer the Client's queries, the obligation in so answering is only to be honest. Such answers should not be assumed to be backed by any prior reasonable due diligence or research or specifically suitable for reliance by the Client without the Client first independently confirming that the answer is suitable for or to the Client's specific financial needs and objectives and the Client verifying the same with its independent advisers on its specific suitability for the Client's specific financial needs and objectives.
- 12.12 The Client acknowledges and agrees that it is a material part of the Client being allowed to open and maintain an account with the Bank that the Client agrees that while the Client has the option to decide whether the Client wishes to provide the Bank with the information and answers, as the Bank requests of the Client in the Client Investment Profile and/or such as the Bank may ask the Client from time to time as are reasonably relevant in the circumstances, the Client has the obligation if the Client chooses to do so to provide the Bank answers in full and not in part. The Client therefore agrees that the partial or incomplete provision of information and the answers may be disregarded by the Bank and the Client may be treated as having refused and

provided no answers or information. Where the Client has provided the Bank full information and answers, it shall also be the Client's obligation to keep such information current and accurate, failing which the Bank is entitled to assume that the information and answers provided remain complete and accurate.

- 12.13 Where the Client has failed or refused or deemed to have failed or refused to provide the Bank with any information or answers as requested, then the Client will also be taken as having acknowledged (and the Bank will be regarded as materially relying on the Client having acknowledged) that the Bank cannot identify with any certainty the Client's investment objectives, financial circumstances and particular needs and therefore the Client agrees that any advice or recommendation provided in respect to the Client's Account with the Bank by any of the Bank's CMSRLH or officers shall be treated as at best only as general advice or recommendation and it is acknowledged and agreed that such advice does not take into account and may not be suitable for the Client's investment objectives, financial situation and particular needs.
- 12.14 No CMSRLH has any authority to give any advice or make any recommendation on the Bank's behalf or on the Bank's account unless specifically authorized to do so by a duly authorized officer of the Bank and notified to the Client. - 12.15 No CMSRLH may waive or vary any of the Bank's rights under these Terms nor may the CMSRLH accept any liability on behalf of the Bank.
- 12.16 The Client acknowledges and agrees that where the Bank uses another broker to execute and/or clear the Client's orders, the Bank may have to accept sole and principal responsibility to the broker for the executed order (notwithstanding that as between the Client and the Bank, the Bank is in fact the agent of the Client). Accordingly, the Client shall indemnify the Bank against any and all actions which the Bank deems in good faith necessary to ensure that the Bank will not be in default of its said principal obligation or responsibility. The foregoing right of the Bank will apply even though as between the Bank and the Client, the Client may be in actual or anticipatory default. The foregoing indemnity in favour of the Bank is in addition to any other right that the Bank may have (whether expressly provided as between the parties or implied by law).
- 12.17 In view of the fact that the Bank may have accepted principal responsibility and/or liability to another broker, the Client also acknowledges and consents to the fact that any Securities or commodities which (as between the Bank and the Client) are to be regarded as purchased by the Client may or will be regarded by any and/or every broker as being the Securities or commodities purchased by the Bank itself. This may in some instances result in prejudice to the Client. For example, in certain circumstances, the Client's Securities, commodities or properties may be used to satisfy obligations of the Bank as principal or other customers of the Bank. The Client accepts that this is a necessary risk of dealing through intermediaries in such jurisdictions.
- 12.18 Without prejudice to any other clause in these Terms, the Client agrees that the Bank may hold Securities or commodities purchased for the Client or may place margin in an omnibus account of the Bank with another broker/custodian/nominee/exchange/clearing house aggregated with other Securities or commodities purchased by the Bank for, or margin deposited by, other clients of the Bank, and provided that the Bank has selected or engaged such broker/custodian/nominee/exchange/clearing house in good faith, the Bank shall not be liable to the Client for any and all loss suffered or incurred by the Client as a result of any act, omission or insolvency of such broker/custodian/nominee/exchange/clearing house.
