Important Note:

The provided list is not exhaustive. To further verify whether a company is classified as an Affected Company, you may conduct an online search using the counter name along with its International Securities Identification Number (ISIN). If the ISIN begins with "IL", the company is considered an Affected Company. Please note that this method serves as a limited check for incorporation status only.

For example:

ABC Technologies Ltd is one of the Affected Companies and it's ISIN no. starts with IL.

ABC TECHNOLOGIES LTD share price in real-time (ISIN: IL0010255110).
